## MEMORANDUM

**TO:** President and Board of Trustees  
**FROM:** David E. Cox, Village Administrator   
**DATE:** November 7, 2018  
**SUBJECT:** Agenda Information

The following information relates to the upcoming Village Board meeting agenda and includes additional or summary information and staff recommendations as necessary. The numbering will follow the numbering of the agenda.

### Item 4 Regarding Establishing the 2019 Sewer Rate

**Background:** Pursuant to discussion during preparation of the 2019 Village Budget, a five percent (5%) rate increase is proposed on sewer rates effective December 16, 2018. If approved, the first bills with the new rate will be mailed in March 2019. As preparation for the action to approve the Village Budget, the Board is asked to make a final determination on the sewer rates.

**Recommendation:** Approve the resolution confirming the rate increase for sewer.

### Item 5 Related to adoption of the 2019 Annual Budget.

**Background:** The 2019 Annual Budget has been reviewed by the Village Board at Board Workshops on September 19 and September 20 and was the subject of a Public Hearing during the October 22 Village Board meeting. The budget as published included an anticipated General Fund expenditure decrease of \$11,232 or about 0.14% due to reduced transfers of accumulated surplus funds from 2017 to the Capital Projects Fund and the Corporate Reserve Fund to offset smaller 2019 capital project and future purchases of vehicles and equipment. The Property Tax Levy for operations that increases approximately \$57,500 or 1.3%. The levy increase for debt service increases \$116,854 or about 8.6%. Also, the proposed budget includes no increase in rates for the water utility but does include a small (5%) increase for the sewer utility to provide for increases in operating expenses and to allow for continued investment in this infrastructure. The rates for our contract with Advanced Disposal Services for refuse and recycling will not increase for the third year in a row and will remain \$145 per household annually.

Additionally, the Village Board is asked under Item 7k to deliberate and determine whether a General Wage Adjustment will be given to staff in 2019 and in what amount. For the Village Board's reference, each 1% general wage adjustment costs about \$40,000 in the General Fund and about \$47,000 Village-wide including the utilities. A recent survey of area municipalities

found an average of about 2.1% was included their draft budgets for wage increases. The range of wage increases runs from a low of 1% for general adjustments to as much as 5% for raises based on performance and time in service. A general wage increase of 2.1% is recommended to ensure that Hartland's general pay remains competitive. Employees may be subject to additional increases, which are already included in the budget, due to time in service to the Village.

Recommendation: All budget-related items are ready for approval.

#### Item 6 Regarding matters related to the Glen at Overlook Trails development

Background: The Village Board will be asked to reconsider a previous motion to postpone consideration of the Glen at Overlook Trails development proposal until January 2019. If that motion is reconsidered and fails, the Village Board would then be asked to consider certain motions to provide guidance to the Plan Commission, developer and staff for completion of the final development proposal and consideration related to final recommendations. At a future meeting, the Village Board would receive a final recommendation from the Plan Commission and a Planned Unit Development Agreement for final consideration of the proposed development.

Recommendation: Consider and act upon the various matters.

#### Item 7 Regarding replacement of chairs in the Village Hall

Background: The Board is asked to approve the replacement of 100 audience and general purpose chairs in the Village Hall. In response to request from users of the Community Room, staff investigated options for replacement seating. Additionally, with the aging of the audience chairs in the Village Board room as well as in recognition of the fact that the extra chairs are a number of decades old, staff is suggesting that all of the general purpose chairs in the Village Hall be replaced. Working with a local vendor, staff is recommending a chair that can be purchased for 1/3 of the list price.

Recommendation: Approve the chair purchase and disposal.

#### Item 8 Regarding purchase and planting of street trees

Background: As DPW Operations Supervisor Gerszewski's memo indicates, proposals were solicited for the purchase and planting of street trees. Planting includes not only the replacement of street trees where the previous tree was removed but also includes the new trees

planted in recent subdivisions. As the Board will recall, new subdivision trees are planted on a specific lot according to the plan approved for the subdivision after the house is granted occupancy. All of the trees will be planted before winter.

Recommendation: Approve the contract.

Item 9 Regarding Change Order #1 for the 2018 Paving Program

Background: The Village Board is asked to approve Change Order #1 for this year's paving program. The Change Order addresses actual quantities of installed material including additional curb replacements and asphalt on Birch Court, additional asphalt thickness on Cardinal at HWY 83, which was thicker than anticipated and replaced in kind, and costs related to the replacement of the electronic loop that detects vehicle presence at Cardinal Lane and HWY 83. The electronic loop was specifically included in the contract as a "time and materials" expense. A second, final Change Order is expected for this project to account for the final reconciliation of the contract quantities and time. That document will be presented at a later date once it is prepared.

Recommendation: Approve the Change Order.

Item 10 Regarding disposal of certain equipment

Background: As DPW Operations Supervisor Gerszewski's memo indicates, staff is requesting Village Board action to officially declare as surplus and authorize the disposal of various pieces of equipment that have been replaced or are no longer in use. The items would be sold at auction to allow the Village to reap whatever value it can out of the items.

Recommendation: Declare the listed items a surplus and authorize their disposal.

Item 11 Regarding the interview process for the DPW Director position

Background: As the Board will recall, applications for the position of DPW Director have been solicited and are due later this month. In addition to interviews with Management Staff and Public Works Staff, the Village Board is asked to determine its desired involvement in the process. At minimum, I believe it is appropriate for a Board representative to participate in the initial interviews as candidates are winnowed down and in subsequent interviews as may be held. Then, once a final candidate or two are known, the entire Village Board could have an informal opportunity to meet these candidates. However, if the Board desired, a more formal

process could include the Village Board conducting an interview of its own with some of the candidates and providing feedback. At the meeting, I would like to understand the Board's desire so that it can be worked into the final selection planning.

Recommendation: Provide feedback on the Board's desire.

Public Comments: (Please be advised the Village Board will receive information from the public for a three minute time period per person, with time extensions per the Village President's discretion. Be it further advised that there may be limited discussion on the information received, however, no action will be taken under public comments.) None

1. Motion (Meyers/Wallschlager) to approve Village Board minutes of October 8, 2018. Carried (7-0).
2. Motion (Landwehr/Swenson) to approve vouchers for payment in the amount of \$1,000,490.00. Carried (6-0). Meyers abstained.
3. Consideration of actions related to Licenses and Permits.
  - a. Motion (Dorau/Anson) to approve an application for Operator's (Bartender) License with a term ending June 30, 2020. Carried (7-0).
  - b. Motion (Landwehr/Dorau) to deny an application for an Operator's License recommended for denial. Carried (7-0).
  - c. Motion (Landwehr/Swenson) to approve an application for a Temporary Operator's (Bartender) License. Carried (7-0).
4. **PUBLIC HEARING** on the proposed 2019 Village Budget including the General Fund, Water and Sewer Utility Funds, Debt Service, and all other Revenue and Expenditure Funds with consideration of adoption of the budget at the November 12, 2018 Village Board meeting.

President Pfannerstill opened the Public Hearing on the 2019 Village Budget at 7:05 p.m. Finance Director Bailey stated that the budget includes General Fund Expenditures of \$7,799,837 which is a decrease of .15%. The actual General Fund Levy is \$4,512,167, an increase of 1.3%. The proposed overall levy including debt is \$5,980,117, an increase of 3%.

The anticipated mill rate change is an increase of \$.106 per thousand of value for taxes. There is no water rate increase planned. The sewer rate will increase 5% which equates to about \$22 per year increase on an average household. Garbage fees will not increase. The budget includes a full-time administrative assistant position for the Fire Department.

No comments being heard, the Public Hearing was closed at 7:07 p.m. by President Pfannerstill.

5. Consideration of second reading of Bill for an Ordinance No. 10-08-2018-01 "Amending the Quorum Requirements for the Delafield Hartland Water Pollution Control Commission".

Motion (Landwehr/Meyers) to suspend the rules. Roll call vote taken – Anson, yes; Dorau, yes; Meyers, yes; Landwehr, yes; Swenson, yes; Wallschlager, yes; Pfannerstill, yes. Carried (7-0).  
Motion (Landwehr/Meyers) to adopt Bill for an Ordinance No. 10-08-2018-01 "Amending the Quorum Requirements for the Delafield Hartland Water Pollution Control Commission". Carried (7-0).

6. Consideration of actions and items related to The Glen at Overlook Trails, a condominium development on the property located at and adjacent to N56 W28628 CTH K (Lisbon Road).
  - a. **PUBLIC HEARING** to receive comment on the proposed rezoning for property located at and adjacent to N56 W28628 CTH K (Lisbon Road) for the rezoning of 38.81 acres to RS-1 Single-Family Residential District with both PUD and Upland Conservancy Overlay Districts.

President Pfannerstill presented the Public Hearing guidelines and declared the Public Hearing open at 7:11 p.m.

Bryan Lindgren, Neumann Companies, stated that while the project remains much the same as the initial concept, they were asked at the last Plan Commission meeting to reengage the County Highway Department regarding the emergency access. Lindgren stated that the County Highway Department has indicated that they believe the proposed location of the emergency access further west down the hill will be acceptable.

Dino Xykis, 605 Southern Oak Drive, asked whether the sewer system can handle additional flow from the proposed development. He stated that the role of the Village Board is to protect the interests of the residents and to spend the taxpayer's money wisely.

Bill Budzien, 1123 Sweetbriar Lane, expressed interest in purchasing a condo in the proposed development and stated that the development would be a benefit to the Village as an additional opportunity for residents to own a condo in the Village and would be attractive to a certain type of purchaser.

Kevin King, 1264 Mary Hill Circle, stated that he is felt the developer did a bait and switch. He stated that he would be against public roads in the development and that the residents in the Mary Hill development do not want any access through Southern Oak.

Nan Hegerty, 763 Racine Ridge Dr., Richfield, stated that she has great interest in the project, feels it would bring people to the Village that would be an asset to the Village. She stated that she does understand the concerns of the residents in the adjacent development.

Susan Gerard, 606 Southern Oak Drive, stated that she was originally concerned with the development connecting to Southern Oak. She stated that this was proposed as a condo development not an individual family subdivision with public roads and that most condo associations have private roads.

Patrick Walsh, 1285 Mary Hill Circle, asked for more transparency from the Plan Commission, stated his opposition to any access into Mary Hill and objected to public roads in the development.

Attorney Kevin Clark, representing John & Trudy Gebhard, stated that his client maintains that the project is too dense and is inconsistent with prior planning. He further stated that his client will resist and is opposed to any eminent domain action. He stated that the applicant has indicated that there is an access that does not require eminent domain action and that the Village should consider that access prior to eminent domain.

Joe Walicki, 624 Southern Oak Drive, raised density concerns stating that he believed the project had been switched to private roads to increase density and objects to the switch to public roads.

Mike Logelin, 603 Southern Oak Drive, stated he felt it was hard to get information on the latest plan, has concerns about the proposed density and sewer issues. He asked for transparency and strongly opposes anything coming through Southern Oak Drive.

John Stahl, 1235 Mary Hill Circle, stated he felt the developer had done a bait and switch but was glad to hear that the emergency access may go to Hwy K. He further stated that he is opposed to anything coming into Southern Oak Drive.

Scott Wade, 607 Southern Oak Drive, stated that he is against the road coming through Mary Hill and is concerned about traffic safety issues.

John Peret, 372 Switch Grass Court, stated that he has been a resident for over 10 years and is looking for a condo. He stated that the proposed development is very attractive to him.

Matt Neumann stated that several comments about bait and switch were made but explained that these projects are dynamic. He stated that Neumann Companies has done their best to respond to the demands of the village, residents and county. Further he stated that it not an easy site to develop. He stated that a higher density had been requested which they believed would be turned down so they went back to the existing comprehensive plan for density. Additionally he stated that they had been able to make the access on top of the hill onto Hwy K work. He stated that they have worked out an emergency access onto Hwy K which the county has said they believe will work. He stated that eminent domain may be avoidable due to recent development. He stated that he believes the development belongs in Hartland, not the Town of Merton, and should be served by sewer and water.

Dino Xykis stated that he felt the recent Plan Commission meeting was disturbing and that a compromise could have come sooner. He stated that he felt the comprehensive plan is delinquent because it was issued in 2005 and hasn't been updated.

Patrick Walsh asked what the status of the reroute of Hwy K is. President Pfannerstill stated that the road will stay as it is and that if the Village develop the County will conduct a study.

George Hegerty commented that he didn't feel that the development would adversely impact village services.

Attorney Clark stated that his clients are hopeful that eminent domain will not be required as they are open to discussions.

President Pfannerstill called for a brief recess at 7:48 p.m.

The meeting reconvened at 7:54 p.m.

President Pfannerstill asked the Village Board members for their questions related to the project. Trustee Wallschlager expressed concerns that the county approval of the location for the emergency access is not guaranteed. She would like further information on sewer capacity and commented that the roads should be private like other Village condo developments. He commented that she had not previously seen the continuation of the trails and asked whether this was a change.

Bryan Lindgren commented that the information from the county highway department is new; there are details to be worked out as this was a hand-sketched drawing. The county would not approve without full engineering plans, however the county stated that they would allow based on site conditions and measured site distances which are in excess of 400'. He stated that the emergency access drive would be private and not meant to be on a public right of way. He stated that the Neumann Companies believed

the connectivity of walking trails was important. The concern of sewer capacity will be handled by the engineering department.

Trustee Swenson stated that he is disappointed with going to public vs. private roads but believes that the development is still a benefit to the Village. He stated that he would like the developer to work it out so that the roads are private.

Trustee Landwehr stated that the details of the project should have been worked out completely by the Plan Commission before coming to the Village Board. He stated that he believes it's a good project and wants to see it built with sewer and water service.

Trustee Anson stated that he believes it would be a benefit to have private roads in the condo project and see no need for public roads through the complex. He stated that he like the new proposal for the emergency access however it's not final. He stated that he disagrees with the trail connectivity but otherwise agrees generally with the condo project itself.

Trustee Dorau inquired whether the road size would be modified if changed from private to public roads. Matt Neumann stated that road specifications were never discussed until the last Plan Commission meeting. Because the roads will have sewer and water under them, the Village wants them built to a public standard. He stated that if they are held to that standard and the roads will eventually connect, he felt the taxpayers will pay the same rate as other Village residents and should receive the same service (road maintenance). Neumann commented that the issue of public vs. private does not necessarily impact the developer. He stated that landscaping and snow removal will be offered by the condo association.

Trustee Dorau stated that she believes the roads should be private and likes the concept of trail connectivity.

Trustee Meyers commented that if he owned property on a road that went to nowhere, he would understand that there was a possibility of the road being extended. He stated that he values the public emergency access road. He expressed concerns about narrower roads which may limit access for emergency responses.

President Pfannerstill commended Neumann Companies for the amount of effort put into this project. He stated that he does not want the village to use eminent domain unless absolutely necessary. He commented that he likes the development and the trail connectivity. President Pfannerstill asked whether it was the developer's intention to have private roads with private maintenance. Matt Neumann responded that he is unsure at this time but would be fine with private roads with public maintenance. He stated that his assumption was that there would have to be public maintenance associated with the project to provide emergency services in addition to the fairly substantial sewer and water mains which are publicly maintained that will run under the

roads. President Pfannerstill asked whether the developer continues to be interested in annexing the property into Hartland. Matt Neumann responded that is their intent as it is the right thing to do. President Pfannerstill asked whether they would still want to annex if approved with private roads and private road maintenance and Neumann responded in the affirmative if other items get agreed to.

President Pfannerstill closed the Public Hearing at 8:20 p.m.

- b. Review of current status and discussion of preliminary recommendations from the Plan Commission related to annexation, zoning and development issues.

Trustee Wallschlager proposed a motion to postpone the entire issue until January of 2019 citing unanswered questions and undecided details. President Pfannerstill commented that there is a procedure in place where plans are sent to the Board after Plan Commission recommendation and that at this point the Plan Commission had not even seen the latest development from the Waukesha County Highway Department. It was suggested by the Plan Commission that the hearing be set knowing that the Village Board didn't have the answers.

Administrator Cox reminded the Board that no real actions are up for consideration by the Board on the agenda. He stated that the Village Board had asked that Plan Commission matters be brought to the Village Board prior to them being recommended as an interval step. Administrator Cox stated that the only things on the agenda for the meeting were the first reading of two ordinances with no actions. He stated that the Plan Commission will review the project again in November with final recommendation from the Plan Commission expected well into November. He stated that his goal was to have the draft of the Planned Unit Development Agreement for the November Plan Commission meeting.

President Pfannerstill commented that there are no other condos in the Village with public roads and that there has been confusion throughout the process. He stated he would like to see private roads with private maintenance which would save taxpayers money. President Pfannerstill clarified with Trustee Wallschlager whether she would still want to postpone until January even if all answers were provided and she stated that she felt additional time was necessary for review.

Trustee Swenson commented that he believes the Village benefits from the project whether public or private roads but that is the Village demand the roads be built to public standards, the Village should provide maintenance.

Matt Neumann commented that it takes time to get through all of the required steps for a development. He stated that if the Village Board requires the roads be private, they will have to review the modifications as they has assumed the roads would be built to

public specifications. There was discussion that perhaps an informational meeting on the project be held prior to January.

Motion (Wallschlager/Anson) to postpone this entire issue until at least January of 2019. We, as elected officials, need to do the best job for our citizens and the Village of Hartland, which means to make sound, informed and intelligent decisions for the Village of Hartland. At this time, there are too many unanswered/undecided details, too many variables and confusion with the project as a whole. I do not feel comfortable taking any action where there is so much confusions. Carried (5-1). Landwehr abstained. Swenson voted no.

- c. Consideration of a motion to direct staff regarding the process to acquire through eminent domain the necessary easements across the property located at N56 W28754 CTH K related to the expansion of utility and public safety systems in the northeast area of the Village.

No consideration given to this item.

- d. First reading of Bill for an Ordinance 10-22-2018-1, An Ordinance Annexing Territory To The Village Of Hartland, Wisconsin Pursuant To Wis. Stat. § 66.0217(2)

No first reading provided.

- e. First reading of Bill for an Ordinance 10-22-2018-2, An Ordinance To Amend The Official Zoning Map Of The Village Of Hartland

No first reading provided.

- 7. Motion (Meyers/Dorau) to approve award of a contract to Clearpath Connections of Pewaukee for the purchase and installation of electronic locks at various Village facilities in the aggregate amount of \$62,402.20. Carried (7-0).
- 8. Motion (Dorau/Landwehr) to appoint additional Election Inspectors with terms to expire Dec. 31, 2019. Carried (7-0).
- 9. Motion (Pfannerstill/Swenson) to recess to closed session pursuant to State Statutes §19.85 (1)(e), deliberating of or negotiating for the purchase of public properties, investment of public funds, or conduct of other specified public business, whenever competitive or bargaining reasons require closed session regarding the potential purchase or acquisition of public property, namely a community center facility through an option to acquire the Zion Evangelical Lutheran Church, 415 W Capitol Drive, Hartland and to return to open session to consider actions related to the matter pursuant to §19.85(2). Roll call vote taken – Anson, yes; Dorau, yes; Meyers, yes; Landwehr, yes; Swenson, yes; Wallschlager, yes; Pfannerstill, yes. Carried (7-0).

It was noted that Trustee Meyers would not be participating in the closed session due to a conflict of interest.

Adjourned to closed session at 8:56 p.m.

Reconvene in open session at 9:41 p.m.

10. Motion (Dorau/Swenson) to direct staff to deliver an Option to Purchase document to the leadership of Zion Evangelical Lutheran Church and attempt to negotiate the execution of the Option. Carried (5-1). Landwehr; no. Meyers abstained.
11. Motion (Anson/Dorau) to adopt Resolution 10-22-2018, A Resolution of Necessity for Hartland Community Center. Carried (5-1). Landwehr; no. Meyers abstained.
12. Announcements: The following individuals will be given an opportunity to make announcements at the meeting in regards to (1) activities taken since the previous meeting on behalf of the community, (2) future municipal activities, and (3) communications received from citizens. It is not contemplated that these matters will be discussed or acted upon. The following individuals may provide announcements: Village President or individual Village Board members or Village Administrator or other Village Staff members.

Residents were reminded that all will vote at St. Charles in the Nov. 6 election.

Alex Konen, HFD, announced that the pancake breakfast was a success with approximately 500 people attending. The pizza fundraiser was also successful with 150 pizzas delivered.

13. Motion (Wallschlager/Dorau) to adjourn at 9:47 p.m.

Respectfully submitted,

Darlene Igl

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE ANNEXING TERRITORY TO  
THE VILLAGE OF HARTLAND, WISCONSIN  
PURSUANT TO WIS. STAT. § 66.0217(2)

THE VILLAGE BOARD OF THE VILLAGE OF HARTLAND DO ORDAIN AS  
FOLLOWS:

SECTION 1. Territory Annexed. In accordance with sec. 66.0217(2) of the Wisconsin Statutes and the Petition for Direct Annexation By Unanimous Approval filed with the Village Clerk on the 5th day of September, 2018 unanimously signed by the owners of all of the land in area in the territory within the Town of Merton, Waukesha County, Wisconsin described in Exhibit A and Exhibit B, which are attached hereto and incorporated by reference, is annexed to the Village of Hartland, Wisconsin. The current population of such territory is zero (0).

SECTION 2. Effect of Annexation. From and after the effective date of this Ordinance the territory described in Section 1 shall be a part of the Village of Hartland for any and all purposes provided by law and all persons coming or residing within such territory shall be subject to all ordinances, rules and regulations governing the Village of Hartland.

SECTION 3. Ward Designation. The territory described in Section 1 of this Ordinance is hereby made a part of Ward 12 of the Village of Hartland, subject to the ordinances, rules and regulations of the Village of Hartland governing wards.

SECTION 4. Severability. If any provision of this ordinance is invalid or unconstitutional, or if the application of this ordinance to any person or circumstances is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions or applications of this ordinance which can be given effect without the invalid or unconstitutional provision or application.

SECTION 5. Effective Date. This ordinance shall take effect upon and be in full force after adoption and the later of the date of proper publication or the effective date of an ordinance effecting zoning on this parcel. In the event the ordinance effecting zoning is not effective by March 1, 2019, this ordinance shall be null and void and without effect.

Passed and approved this \_\_\_\_\_ day of  
\_\_\_\_\_, 2018.

**VILLAGE OF HARTLAND**

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE TO AMEND THE OFFICIAL ZONING MAP  
OF THE VILLAGE OF HARTLAND**

WHEREAS, The Village of Hartland has received a request to consider the zoning of properties requested for annexation from the Town of Merton that are to be included in a proposed residential development and more specifically the approximately 39.8 acre area located east of the Mary Hill subdivision and north of CTH K including Parcels MRTT0387997 and MRTT0387996 to RS-1 Residential Single Family District with a Planned Unit Development (PUD) Overlay District to allow a single-family residential development in condominium ownership; and

WHEREAS, The Village of Hartland Plan Commission has considered the request and has recommended approval of RS-1 Residential Single Family District with both Planned Unit Development (PUD) and Upland Conservancy Overlay Districts and finds that it is necessary and desirable to establish the zoning of this property as noted above; and

WHEREAS, The Village Board of Trustees conducted a Public Hearing regarding this proposed change on October 22, 2018.

NOW THEREFORE, THE VILLAGE BOARD OF THE VILLAGE OF HARTLAND DO ORDAIN AS FOLLOWS:

**Section 1:** The Village of Hartland Zoning Map is hereby amended to zone the following properties located east of the Mary Hill subdivision and north of CTH K including Parcels MRTT0387997 and MRTT0387996 to RS-1 Residential Single Family District with both Planned Unit Development (PUD) and Upland Conservancy Overlay Districts as shown in the attached Exhibit A.

**Section 2:** If any section, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of such ordinance.

**Section 3:** This Ordinance shall take effect and be in full force after adoption and the later of the date of proper publication or the full execution of the Planned Unit Development Agreement in this matter. In the event the Planned Unit Development Agreement has not been executed by March 1, 2019, this ordinance shall be null and void and without effect.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_, 2018.

**FROM: Michael D. Gerszewski/DPW Operations Supervisor**  
**DATE: November 5, 2018**  
**SUBJECT: 2018 Tree and subdivision Planting Program**

I sent the tree planting request for proposal to four companies. I have received one proposal for the tree and subdivision planting for 2018. Grounds Keepers was the only one to respond to the request. There are two parts to the tree planting proposal. The first is existing subdivisions trees. We budgeted \$32,000 for this work. Grounds Keepers proposal for this work is \$26,041.60. The second part is new subdivision trees. The cost of these trees is paid by builder or owner when they take out a building permit and pay their fees. The tree is installed after occupancy is granted. Grounds Keepers proposal for this work is \$20,085.00. The total for work for the work proposed is \$46,126.60. We have been satisfied with the work performed by Grounds Keepers in the past. They have planted trees for us for the last several years. Therefore it is my recommendation that we award Grounds keepers the 2018 tree and subdivision planting contract.

Please place this on the November 12, 2018, Village Board agenda for consideration and acceptance.

**TO: David E. Cox /Village Administrator**  
**FROM: Michael D. Gerszewski/Operations Supervisor**  
**DATE: November 6, 2018**  
**SUBJECT: Sale of Surplus Property**

The Department of Public Works would like Village Board approval to sell surplus equipment. The equipment we are selling has been replaced with purchases approved and purchased in previous budget cycles or is no longer used.

The items for sale are:

Fire hydrants  
Retractable life lines  
Sewer cleaning heads  
Lift station cleaner  
Snow blower  
Pipe locator  
Automotive computer scanner  
Electric pump  
Pole saw

We will sell the surplus items using [WisconsinSurplus.com](http://www.wisconsin-surplus.com). There is no cost to the Village. The equipment purchaser pays a fee based on the purchase price. The web site handles advertisement, sale and collection of the money.

Website: <http://www.wisconsin-surplus.com>

Please place this on the November 12, 2018 Village Board agenda for consideration and possible action.
